

Tēnā tātou!

Here are some of the pūrākau that were shared during our session on Tuesday with links to read more about the stories and other relevant kōrero too.

Please add any pūrākau you know, no matter where they're from! As I've mentioned before, everyone has whakapapa, everyone has stories to help make sense of the world, a narrative that provides a framework we can learn from to help us along our journey.

- **Mahuika & Māui**
