These images are owned by the Association of Pickleball Players (APP) and are shared with you for editorial use on your social media platforms only. The images are not to be used for commercial purposes, and these images may not be shared with any sponsors or third parties without the express written consent of the APP. Any unauthorized use may violate state and/or federal copyright law.

The APP requires that players tag the APP in any posts that feature APP-owned photographs provided to players. Please ensure all images are tagged with the appropriate APP username or handle for the corresponding platform (i.e., @OfficialAPPTour on Instagram and Twitter).

If a sponsor or any other third party wishes to purchase APP images to use in promotional activities, please ask them to contact Daniel Sagerman at dsagerman@theapp.global.

Additional Notes:

- Not every player is guaranteed to have a photo at each event.
- Videos of players will not be provided, but the APP will happily collaborate with players on posts on APP social media accounts that feature medalists.

If you have any questions about photos, please contact Daniel Sagerman at dsagerman@theapp.global or via info@theapp.global.
