

# Riverside Hagar #6 School

## Riverside Student-Parent Handbook Agreement Form

\_\_\_ I have read and understand the information presented in the Student-Parent Handbook and agree to abide by the rules within.

\_\_\_ I understand the school hours and have looked over the school calendar on the school website, complete with half days and school breaks. I will follow the rules of pick up, emergency contact, and school schedule times. I understand the attendance policy and will consistently have my child to school on time.

\_\_\_ I will follow the school Facebook page for updates and notices. Page name is Riverside School-Hagar Township S/D #6 (note this is the new school Facebook page as of Summer 2022 as we lost access to our old page).

\_\_\_ I understand the building rules and discipline policy and that my child will be held accountable for their behavior. I understand that the school regularly uses phone contact to make parent-teacher connections and will try my best to always be readily available via phone if needed. I understand that parent-teacher communication is extremely important and will email my child's teacher with any concerns.

\_\_\_ I understand the policies and systems put in place at this school and that all are in the best interest and safety of the students.

\_\_\_ I understand that chaperoning and volunteering require a copy of my drivers license which I will get to the school as soon as possible.

\_\_\_ I understand that if my child needs medicines, I will contact the principal to fill out a student medication form.

\_\_\_ I understand the student dress code policy and will be aware of what my child wears to school.

\_\_\_ I understand that staff often photograph or record my child completing activities, participating in parties, etc. and allow them to post such photos and videos to the school Facebook and website to promote the school and the learning occurring.

\_\_\_ I have also read over the Technology Plan and Acceptable Use-Policy and understand and accept all terms and conditions with a focus on replacement of technology if my child breaks it.
