

Assignment 2.1

Learners must show an understanding of basic working patterns, pay and benefits. To achieve this you will now have found at least three job advertisements since starting this unit so you can now complete and complete the table below to compare these job roles in terms of their working patterns, pay and benefits.

Job Role	Work Pattern	Pay	Benefits

If your still finding it hard to access job role details you might like to use the following article and its relevant links.
