

Privacy policy - LogIT (Updated 10/4/2025)

LogIT **does not collect**, store, or transmit any personal or sensitive user data.

All data you enter (such as expenses and tags) is stored **locally on your device** using Chrome's `storage.local` API.

No data is sent to any external server.
We do not collect your browsing history, location, or personally identifiable information.

If you have questions, feel free to [contact us](#).
