

# Babbling Baboons VR Privacy Policy

1. Understanding
2. The Data we collect
3. Why or what we use this data for
4. How we clear/delete your collected data
5. Getting In Contact With us

## 1. Understanding

"Hardware ID" an amount of numbers specifically for a device or system

"IP Address" an amount of numbers or characters specifically When you hear we, that is referring to Geobyte, The Developer(s)

## 2. The Data we collect

### A. Hardware ID

Your Hardware ID is collected to be sent to Playfab and used to login to your Playfab/Babbling Baboons Account

### B. IP Address

Your IP address is saved in your Playfab/Babbling Baboons account

3. Why or what we use this data for We use the given information for 2 different reasons. These ways are to login to your given account and for moderation purposes such as banning.

### A. IP Address

Remembering the mention we made in 2A, your IP address is saved in your Playfab/Babbling Baboons account, and is only used for IP bans in-game

### B. Other services we use

We cannot control what the other services we use do. If you want to read more on these services, go to these provided links:

Photon - <https://dashboard.photonengine.com/en/Account/PrivacyAndCookiePolicy>

Playfab - <https://playfab.com/terms/>

Once/If we add more services to our game, we will update this to provide more info on our services.

4. How we clear/delete your collected data You may contact us about deleting your data and removing your playfab account from our server.

5. Getting In Contact With us If you have any questions or concerns about our privacy policy, email us at [gosttiger@hotmail.com](mailto:gosttiger@hotmail.com)
