Features of a word processor

Below are images of key features of word processors. Can you identify what the icons do?

Hint 1: Hover your mouse over the icons that you do not recognise and they might give you a clue as to what they do.

Hint 2: If you're not sure what the tool does, highlight some of this text and click on the tool icon to see what happens.

Tool icon	Tool name	Brief description
		
		
		
		
		

Explorer task: Work out how to add a new row to the table and fill it in with another interesting and useful icon/tool that you have found.
