1: Who are you & what is your role, jobs, tasks of your role?

My name is Ilham, but most people here calls me by the name Ham. I'm a part of the Mentor program, Training Assistant, Newspaper Committee, and current School's Professor in Roter Fuchs, which makes me a role model for the newer LR's. My major task in this community as senior LR is to assist and help other staff members, whether it's related to shifting aspects and others.

2: What are some goals you want to achieve in this group, if you have any?

My goal is to make more contribution to this community as a staff member here. Which is staying active in this community, actively assisting other LR's, actively participating in staff programs, and so much more to achieve.

3: What is your proudest achievement so far?

My proudest achievement as a staff here so far is when I was given the title Staff Of The Month back in January. I'm beyond happy and grateful that my dedication and hard work was recognized. I've made so many achievements aswell throughout my time here as staff member, some of them was Staff Of The Week and Trainer Of The Month. However, my journey in the Roter Fuchs community is nowhere near finished.

4: What ways do you make shifting and any extra tasks enjoyable?

I enjoy hosting lessons and activities, I also love to communicate to students aswell. The staff members that are shifting ingame are also friendly and humble which uplifts my motivation whilst shifting. Handling and participating in extra duties always motivates me so much, as I'm a part of the Training Assistant program. I do enjoy assisting and helping untraineds to lead their to the way of success throughout the training session.

5: What got you into the Red Foxes community?

I've always loved playing as a student, and I thought it would be a great idea to play the game as a staff aswell. I've been considering on applying back in 2023, but unfortunately I do not have the time and availability to do so. However, I've made my way as a staff member in June 2024, I can't believe I've been serving my time as a staff member for almost 10 months now. I'm not considering on stepping down anytime soon, as I'm enjoying my time here as staff member.

6: How would you describe your journey so far?

My journey here in Roter Fuchs have been nothing but awesome and memorable! I've created many friendship and I've achieved so many achievements whilst serving my time here as staff member. I appreciate all my friends, whether the newer or older ones, I appreciate all of you guys. My Roter journey would've been nothing without all of you.

7: What advice would you give to a new starting staff member?

If you have the time, availability and commitment, you should really apply for staff here. The staff members here are friendly and the community provides you positive and supportive environment. However, do not overwork yourself, though. Ensure to prioritize your health and take care of yourself.

8: What are your final words/notes for this interview? Anything you would like to say?

As my final say and notes in this interview, thank you for spending your time and availability to interview me, I enjoyed my time writing my answers. I really hope anyone who have read my answers will be more uplifted and have a great journey here in Roter Fuchs. c:
