

Into Math Home Access

Step 1: Navigate to the my.ncedcloud.org

Step 2: Students may enter their UID Number as the Username and the default password or select scan student QR code. *Please reach out to your teacher if you do not know your login information.*

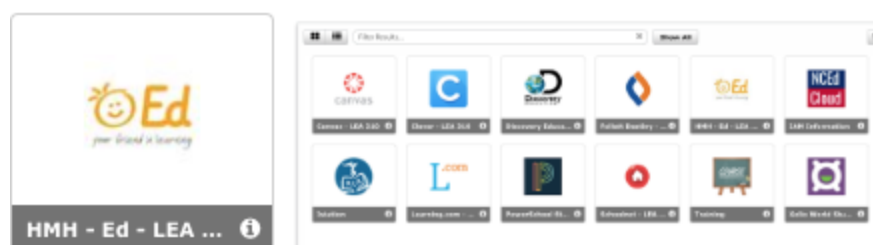

- Username & Password

Two screenshots of the NCEdCloud IAM login page. The left screenshot shows the 'Username' field highlighted with a red box. The right screenshot shows the password field (masked with dots) and the 'Go' button highlighted with a red box.

- QR Code: (You may have to allow the camera. See second screenshot.)

Three screenshots related to QR code login. The left screenshot shows the 'Scan Student QR Code' button highlighted with a red box. The middle screenshot shows a system dialog asking to allow camera access, with the 'Allow' button highlighted. The right screenshot shows the QR code scanner interface with the camera feed area.

2. Select the **Ed Your Friend in Learning** icon.
