Parent Boosters

Why are parent boosters important? This is what they do: “We are a group of Canyon Hills High School parents, known as Canyon Hills Class Boosters, who meet monthly to raise funds for and coordinate senior events for each class. The Senior events we raise funds for are not school or district-funded. Therefore, we as parents want to help out and seek your continuous voluntary financial support so when your son or daughter is a Senior we are ready to create a special, unforgettable experience for them.”
