

Commissions Terms Of Service

I reserve the right to refuse service to anyone, for any reason.

TURNAROUND TIME: Depends on the complexity of the order.

I always inform individually about the time in which the order will be completed, it is very rare for me to fail before the deadline and even if such a situation occurs I always inform about it. I will send you updates at different stages of the commission, sketch, flat colors, rendering. I reserve the right to publish your finished art on my social media.

Payment Information

- ★ I only accept Paypal USD\$. Paypal will change the currency for you if you pay in a different currency but you are responsible to pay the fee for that currency conversion rate. This is automatic through PayPal and their policy.
- ★ Payment is always made after full acceptance of the sketch. In the process of creating the sketch, you can decide whether you want to continue working with me or not. The sketch is free of charge.
- ★ Tips are appreciated, but don't attach expectations to them such as speeding up the work, so I always create orders according to my order queue.
- ★ Payment is made via paypal invoice.

PayPal Chargebacks

- ★ You are never permitted to do a Paypal Chargeback for a commission.
- ★ Please know that if you issue a Chargeback, I will inevitably lose the case and not only will you take the commission money back Paypal will charge me a 20\$ fee because they had to get involved.
- ★ If you choose to issue a Chargeback, know that I will publicly release your name and let all other artists know— regardless of whether your commission was completed or not. So think before you decide to do that please.
