

Kai Cenat crazy reaction

Hook:

You'll never believe who won the 2024 Streamer awards

Body:

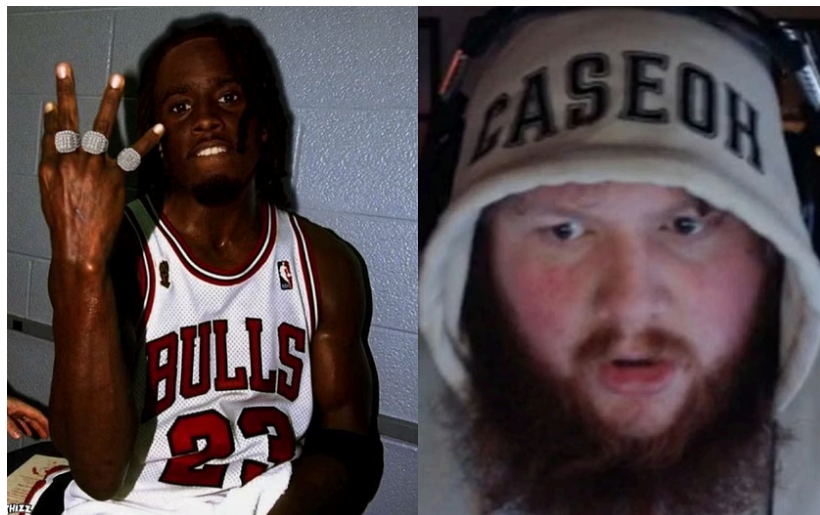

So our favorite American streamer, Kai Cenat with over 5 mil subscribers, just hit a new milestone, and no, he didn't eat 100 burgers. You see, Kai has become a trending streamer in the last 3 years ranking himself as a youtube star just like IShowSpeed, but this is where things take an unexpected turn. So last year Kai won the stream of the year award and he was confident that he will take this year too. Even though his fans didn't think he would .but what happend next was completely shocking..

Outro/Loop:

So This is why (back to the hook).
