This works with the enveloping play schema. The game can be played with two or more people and the room is divided into two sides, one side for each team. Each person hides one object/toy in a room on their side of the room and the other person must find it.</p> <p>Which hiding places were the best?</p> <p>Which objects were hard to hide? Which ones were easy to hide?</p>	<p><u>Sink or Float Predictions</u> Using a small toy at home and loose parts around the house (paper towel rolls, bottle caps, aluminum foil, etc), make a prediction about what items will help your toy float on the water.</p> <p>What changes did you need to make, in order to make your toy float?</p> <p>Be sure to send any pictures of doing this activity to alison@thealphabetaacademy.com and preknorth@thealphabetaacademy.com</p>	<p>Click on the link below to follow the yoga sequence Unicorn Yoga</p>	<p><u>Scavenger Hunt</u> Click on the above link.
