Dear Prof. Krishna Mohan

I am happy to hear about the award that you got to visit an academic institution in USA to establish a research relationship. I am also honored by your desire to spend May and June 2013 in my laboratory. I understand that you will only need a work space in our laboratory and you already have a visa to USA. I invite you to spend May and June 2013 interacting with researchers in my lab in the area of social life networks. Please let me know if I can be of any assistance in logistics related to your visit.

Regards,

Sincerely,

Ramesh Jain
