A note from Mr. Harris...

It was good to see everyone at the Parent-Teacher Conferences. Thanks for coming and meeting with our teachers as we partner in helping your students learn at their best. We appreciate your support in this great effort.

Congratulations to all those who helped make our PTO Musical a reality. It is a huge undertaking, and we appreciate our PTO Musical team of directors, staff, and parent volunteers for making our kids look so good in their performances. A big shout-out to our student actors. You were terrific!

For 5th and 6th-grade Parents, South Cache will be meeting with your students on Thursday. They will be talking to them about school registration for next year. The kids will be bringing home a registration packet for you to see and help fill out. South Cache will have a due date indicating when it must be returned to our school.

Last week we had our Leadership Assembly on Action 6 to Leadership: Cooperation. Here are some "I" statements you can review with your kids regarding what they learned.

- I value other people's strengths and learn from them.
- I get along well with others, even people who are different than me.
- I work well in groups.
- I seek out other people's ideas to solve problems because I know that by teaming with others, we can create better solutions than any of us can alone.
- I am humble.

Parent input forms for next year's classes are available in the office and will be available throughout March. Only parents can pick them up. Tentative teacher assignments for next school year are on the back of the form. They are due on March 27. We prefer these input forms to be information that will help guide us in creating the best learning situation for all students. If you want to use teacher names in this input, please provide two teacher names you would feel comfortable with, not as first or second choices.
