

Sunbyte Studio respects the privacy rights of our users and recognises the importance of protecting the information collected about you. This privacy policy details use of our apps and games and privacy concerns of our dear users. Privacy Policy may be updated time to time if you have any questions please email to **papugames123@gmail.com**

Children's privacy: personal information is not collected from children. Currently, Sunbyte Studios does not knowingly collect any personal (names, age, sex, location etc) information from children.

Statistical and Usage Data: When you play our games on your mobile device, advertising partners may retrieve information about your device and preferences. Which is used for serving ads, for details please check the privacy policy of advertising partners.

In-Game Advertising: Free games serve advertisements offered by our Advertising Network Partners which enables advertising to be temporarily uploaded into the game and replaced while you play. Logged data may include Internet Protocol Address or players' user name, in game location, length of time an advertisement was visible, size of the advertisements, and angle of view. Your game may be assigned an ID number, which is stored on your device, and used by Ad Providers to calculate the number of unique and repeat views of dynamic in-game advertising. The ID number is not associated with any personal data and for children-directed games is not used for behavioral advertising purposes. No logged information is used to personally identify you. The servers used by the Ad Providers may be located outside your country of residence. This ad serving technology is integrated into the game; if you do not want to use this technology, do not play the game while connected to the Internet. Generated through your participation.
