[Voice 1]

A': Aaand here we are again, in NSFW's Crazy Radio! Your host tonight is the vocalist:
Me—everyone's beloved A-tan, or A'~!

A': As always, I'll capture Crazy Girls' hearts from all over Japan tonight and never let them go!

A': So then, let's start by reading the mail as usual. We got heaps of them tonight~

A': Now, now... I'll go with this! NS-Name: Ike. Thank you for the mail~

A': "What type of meat do you like best, A-tan?"

A': Meat?! This is yet another maniac question, but no matter. Man-eaters are welcome here. [1]

A': Honestly it can be whatever... But more importantly...

A': I like you way more than meat.

A': [laughs] Kidding, kidding! Then next! Maybe this one.

A': NS-Name: Kaepyon.

A': "If you switched bodies with President Panda for one day, what would you like to do?"

A': I have to make that shitty panda pay by making him do the same challenges he makes me go through every single d-

A': ... But if you're saying we'd switch bodies, then that means the panda would be inside me, and then I'd get challenged instead because I'm him?! Wow, now I really don't wanna.

A': Just thinking of that guy doing whatever he wants with my body... No thank you! So the next one is... This!

A': NS-Name: Yozora.

A': "Can you do pen spinning?"

A': [Laughs] Why would you even ask that? What terrible taste—but I don't hate it.

A': Of course I can, I'm a charismatic vocalist after all. I can spin around the thickest of pens no problem, you know?

A': Really though, back in elementary school, weren't the kids who knew how to pen spin the coolest? I practiced like crazy.

A': Okay! Moving onto the next one

A': NS-Name: Yui. Thank you for the mail.

A': ... "What do you do when you have extra dip sauce from WcDonald's teriyaki burger? I personally dip the fries in it." ... It says.

A': Not too bad, trying not to waste sauce... HOWEVER! Don't be naive, pros simply don't have excess sauce, you know? You slather the whole burger with the sauce, then eat it while it's still dripping—that's The Pro way.

A': Though honestly I just don't eat teriyaki that often, haha. Let's read this next.

A': NS-Name: Midori. Thank you!

A': "What's your favorite thing in the world, A-tan?"

A': Aha, I see... Hahah, when you say "favorite" and things like that...

A': It's obviously you, Crazy Girl.

A': So? So??? Didn't I sound hella cool just now??? So yeah, keep rooting for us while your heart is fluttering.

A': Alright, now's the last mail! NS-Name: Joshua... Oh? Could this be...?

A': "Let us hear about your enthusiasm for CR69Fes!" Okay!

A': Huh? What's that? There's something written down, down bellow...

A': "... Is what I wanted to ask, but I'm going with a different question. Why won't A-ko-chan send letters to Brave Child's radio?"

A': Hahahah! This Joshua is Joshu-shu! And how much does he want one of those mails? I just forgot, there's no special reason.

A': Huh? The back? What's in there?

A': "You didn't send any last time either. Meanie. Send me a mail. I'm waiting."

A': He's so funny! Got it, got it, I'll send you one next time, honest!

A': So that's it for the mail! Major apologies if I didn't read your letter, but please keep them coming!

A': And now we finally have the songs! We're considering playing these for the concert, so hype them up with all you've got! The first song is NSFW's "S≠O≡S" and the second track is "Re:Morse" by the same artist, NSFW. Have fun with these two!

[Voice 2]

A': Hellooo? Are you perhaps a Crazy Girl? This is NSFW's charismatic vocalist A'~ nice to meet ya!

A': My, my? Did I surprise you? Are you shocked? Hahahah. First, prank success! Our audience surprise calls are back again by the shitty panda's orders, so you were chosen among Crazy Girls all over Japan. Since we're on call like this, keep me company for a bit, will you.

A': For this survival season, NSFW will release their album last as the 6th entry, so you'll have to keep your heads up for a while, but I promise it'll be the best song ever, so can you wait just a little more?

A': Ok, Ok! Leave it to me! I promise you'll be so deeply moved by the full songs that it'll shrink your neck back if it grows as long as a giraffe's! Please listen to them til you die~ [2]

A': Haha! Then, thank you for joining me today. See you.

[Voice 3]

A': Hi, hi, everyone! This is NSFW's charismatic vocalist A'! As a challenge from the shitty panda, we're here at Uega Zoo in Tokyo today. Wahoo! [3]

A': I was wondering where they'd take me for this challenge, but to think it's good ol' zoo? Did I luck out this time? I heard the others had to go to the country, work in farms, and deal with beehives and stuff.

A': Ah. Cue cards? Should I read these?

A': Um... "You will now mature through experiencing the hardships of life, and expand your horizons as a major artist."

A': Uh-huh... So what am I gonna do? Judging by this outfit... No way...?

A': HELL YEAHHH! Become a zookeeper for a day! It's exactly what I wanted to do!

A': I see... So I have to clean the giraffes' house. Truly, those giraffes give off a ridiculously moody aura. I know because I've been here a couple of times, but leave it to me! I'll totally get along with them!

[Timeskip]

A': Phew! This looks good. Now I just have to rinse with water...

A': Uh, giraffe gentleman? I'll splash a bit of water now so don't mind me. Rather than that, isn't this apple really tasty?

A': Hmhm. Seems like they loved it. Nice nice~

[Washes]

A': Huh, I thought they'd be moody but these giraffes are surprisingly docile. Could it be that I'm getting scouted as a zookeeper?! Even I can tell I have a knack for this!

A': Kay! We're done! What else do I have to do?

A': Hmhmhm. Feeding bald eagles and cleaning their cage.

A': So basically I can do what I did just now, right? Then let's get going.

A': Well then, giraffe gentlemen. Enjoy your meals in your squeaky clean home. See you later~

A': Huh... Mr. Bald eagle isn't calming down at all. This must be the work of hunger!

A': But have no fear, because the super zookeeper A-tan is he- Ouch!

A': Did he just grab my head?

A': Uh, Mr. Bald Eagle? Can you... please tone it down a little?

A': I told you to sit still! I'll give you this meat now, so you don't have to be so prickly- That hurts! What's up with you? Leave me head alone! Don't get too cocky just because I'm being nice to y- Ouch!

A': What do you think you're doing grabbing my head like that... You're pulling out my hair!

A': Huh? Hold up. Just because you're bald doesn't mean everyone has to be the same!

A': Hey! Listen up. If you want this meat then let me clean in peace! I accept your duel. After all, I have this deck brush!

A': Hah! Dumbass. You can't fool me with the same trick. And if you want to duel then get down here! Flying is cheating, you shitty bald eagle!

A': Hey... Let me... Stop that- Stupid! That was dangerous- Don't make me bald!

[Voice 4]

A': A new project from the shitty panda: CR Pop Quiz~

A': No idea what's going on, but it seems like it's all good if I can answer the question. Then let's get to it!

A': "Why was Veronica's Momochi late to work yesterday?"

- 1- Train delay
- 2- Poor health
- 3- He fell from the stairs"

A': I see...

A': Wai- What?! I can't answer in 10 seconds!

A': ... But now that I think about it, isn't it 2, poor health? I mean, that's Momo-sama's excuse all the time.

A': Ah, but... Can't he be late because of the train too? Well, it can't be 3 either.

A': Cause you know, no matter what I choose, it's gonna be a lie, yeah? Everyone knows he's just a lazy bu-

[Correct]

A': Ahah- It was right?! Haha!

A': I know, right? Now matter how you look at it it has to be his laziness, I knew it~

A': Oh but, I'm glad I got the answer and all, but I'm curious about one thing. Do you think Momo-sama will listen to this voice recording? Won't it be crazy if he did? I'd better not run into him at the entrance.

[Voice 5]

A': Shitty Panda's new challenge: "Go for it! Ultimate Curry: CR Relay Cooking!" The last in line is me, everyone's beloved A-tan~

A': This is a popular project where we take turns making curry. That said, the curry is more or less done, so I'm in charge of arranging the dish.

A': So let's add the finishing touches artistically~

A': After all, this is an ultimate curry so it has to be something unprecedented~

A': Hmmm... "Please choose a suitable staple food to go with the curry for our 6 customers."

A': I see... There's a lot to choose from.

A': For curry, there's curry rice... But that's far too plain. So I'm gonna choose anything other than grains. Also anything too normal is rejected.

A': There's curry udon and nanban soba I guess... Somen, too... But I can kinda imagine the taste, and I dunno... It needs to be more... Ah, alien and unknown. And so... [4]

A': Let's use... Melon bread!

A': Let's place it here and... What about sprinkling cornflakes on the curry?! It'll be perfectly ultimate and alien!

A': There you go... Now let's throw these into curry... Hm? What is this?

A': This curry even has grape looking things in it?!

A': And this... Is some kinda fish...? And it smells funny...

A': How did this even happen, what the heck! Who put these in? But well, with these our curry will be innovative and ultimate, alright. So, lemme just... Bloopbloopbloop.

[Timeskip]

A': There! There! There! Now this is new! I really did it with the cornflakes.

A': Hmmm... But now that I look at it, this needs juuust a little more to be "ultimate" I think... Or is it still too plain?

A': Oh, my? We found an item of interest. They said I should finish it up to my tastes, so I'll do just that!

A': We don't need the pickled vegetables though. But I think I can use these condiments, especially the whip cream, it looks full of charm as is.

A': Goddamn. I had a good idea just now. What if I signed my autograph with the cream on the flakes?! Yeah, no, I have to do that.

A': Then... Smoothly...

A': Writing with this is harder than I imagined. And it's melting because of the heat from the curry...

A': Then how about this? The super condiment: mayonnaise! Also also! This ketchup! Let's make it double!

A': Wahoo! This is it! Then I'll bring out the autograph's appeal using the cream.

[Timeskip]

A': Here you go! It's done! All the staff here, take a look! Isn't it just ultimate?

A': it's curry feat. melon bread and cornflakes, with my divine autograph on the miracle canvas!

A': Huh? This? Oh, to give my signature more appeal, I tossed in candy that was in the pockets of my pants. A curry that even has my personal belongings in it can't get any more ultimate than this. Whoever gets to eat this is a lucky guy.

A': By the way, when are those customers coming? I set six plates with the same amount-

A': Eh? What's gone into you all of a sudden...

A': What're you doing! Leave me alone! I finished it up seriously! But you're doing this to me...

A': HUH?! So the customer is... Me?! We're eating this curry ourselves?!

A': But I didn't hear about th- [...]

A': It's awful- and hot! Get your hands off me! And don't make me eat this alone, go get the other five! If you want us to eat everything then get those guys who made this thing you can't even call curry and make them take responsibility!

A': It's awful...!

[Voice 6]

A': To Crazy Girls all over Ja- no, all over the world! Here's a very intimate message from me. Listen closely, everyone.

A': Today, us, NSFW will humbly release our new songs. I'm so sorry for making you wait~

A': BUT, I think it'll meet your expectations. And on top of that! Our best song compilation and CR69Fes are nearing! You over there! You can't let your guard down. As NSFW's charismatic vocalist, I'll have to let you have the time of your life, so keep supporting us, I love you!

Notes:

[1] The term he specifically uses is 肉食系女 which means a carnivorous woman/a meat-eater, but it's used to describe girls who are bold in a romantic sense.

[2] He uses the phrase "stretch your neck and wait" to talk about waiting for the songs eagerly, so he's making a joke that the audience's necks will grow so long from waiting. I kind of tried to get this across with "heads up" but the joke doesn't really land.

[3] I *think* they're referring to Ueno Zoo.

[4] He's specifically saying the name of the movie "Close Encounters of the Third Kind" in Japanese but apparently people use that to mean something is unique and peculiar?

5- A' does not gender the giraffes or the eagle I just did that for ease.
