

EMAIL TO PRACTICE

Client... what's the most powerful marketing medium on the internet?

If you didn't say video...you're just plain wrong.

Sorry to be so blunt, but...

70% of marketers are already using YouTube to promote their products and services.

But you can have an unfair advantage over all these marketers...

A few years ago, Ranking videos on the first page of google and YouTube was easy as 1-2-3...

Nowadays, with fierce competition and every marketer and their mom uploading thousands of videos each day it's hard to get your video on the first page of Google or YouTube...

What if I would told you there is a much easier way...

What if I told you that that I found a backdoor strategy to get instant top video rankings and get

AS MUCH TARGETED FREE TRAFFIC as you want:

-And you won't have to learn a thing about AI.

-You don't have to know a damn thing about backlinks...

– And you don't need a huge budget to take advantage of this

Find out how you can profit from this too and get tons of targeted traffic, starting right now

Have a great day!

MY VERSION

(Client..) You probably heard about AI and how powerful its capabilities are.

I want to tell you that video is the most powerful tool to promote your products and with the easy use of AI you can do videos in seconds!

Have you ever wanted to edit videos like a pro so they are not like the 70% of the ad's that you skip every-single-day? I have a solution for you to have an advantage over all these marketers.

Introducing VideoMarketingBlaster 🔥

Make your own AI-generated and edited videos, with quick and simple use.

I have always wanted to save time on this dull task, and that's why I came up with the idea to create a tool that speeds up the process.

Now I can say that I can skip the editing because AI is doing most of the work for me!

With fierce competition and daily uploads of thousands of videos, there is a better solution to edit, cut, AND GENERATE videos for your marketing campaign.

I am not promising you the world, since you have to use your imagination and know how to implement it in your campaign.

That's why I came up with a preset of dedicated AI prompts that make the process even faster!

Simply copy and paste and just change the prompt to fit your needs and boom!

That's it. Now AI generates a video for you.. in 3..2..1.

Done! 🔥

Save the video and you are good to go!

More free time means more time for your business, that's why I have yet to tell you that AI is a huge part of our systems and if VideoMarketingBlaster suits your needs, you are in for a ride because we have many more tools to help your online marketing needs!

AI is fast, are you? AI is not waiting for any of us, and we can't let it wait. 🏠
