- In order to instill fear and urgency in the population, maximize Big Pharma profits, anyone who came down with pneumonia, one of the seasonal flues, or other forms of lung congestion, 5G radiation poisoning, among other common maladies commonly involving the respiratory system, in the elderly in particular, were labeled COVID-19 victims, when in truth almost none of the severe cases of COVID 19 were even “Coronavirus” related. The idea was to get the unfortunate misdiagnosed population in general hospitalized, mistreated and neglected until they succumbed and to than also have everyone else

submit to the experimental and dangerous COVID-19 Vaccine (a.k.a. The Clot Shot, or Death Jab) This is what the monstrous COVID VIRUS scam was based on.

MAKER OF COVID TESTS SAYS PANDEMIC IS BIGGEST HOAX EVER PERPETRATED

Maker of COVID Tests Says Pandemic is Biggest Hoax Ever Perpetrated

Top pathologist Dr. Roger Hodkinson told Canadian government officials in Alberta during a phone conference that the coronavirus pandemic is “the greatest hoax ever perpetrated on an unsuspecting public.” Hodkinson, who is the CEO of a biotech company that makes COVID tests, says “There is

utterly unfounded public hysteria driven by the media and politicians.” We are seeing “politics playing medicine, and that’s a very dangerous game.”

Positive test results do not mean a clinical infection, he says. All testing should stop because the false numbers they produce are “driving public hysteria.” Hodkinson says the risk of death for people under the age of 65 is “one in three-hundred thousand” and it is “outrageous” to shut down society for what is merely “just another bad flu.”

Fort Bragg stops reporting soldier deaths after dozens found dead in their bunks

An investigative reporter for *Rolling Stone Magazine*, Seth Harp, has been looking into this medical anomaly. On February 9, 2022, Seth reported the death of 83 soldiers at Fort Bragg in the 18 months ending in June 2021. Fort Bragg stopped reporting the fatalities after June 2021, but the bodies continue to pile up. Out of the 83 “sudden and unexpected” fatalities, eleven of them were determined to be from natural causes.

the entire world really could enjoy peace with great prosperity for all. but we let a satanic globalist cabal steal everything from us and be our slave masters. humanity has two options to chose from right now. one, grow a brain, think, and decide to stop the evil from robbing and abusing all humanity; for world peace and great prosperity for all. or, two, stay stupid and keep

letting the satanic globalist cabal rob everything and cause war, strife, and poverty as they enslave all humanity and kill off everyone as they please.

reject and revolt against the centralized control of the globalist cabal. declassify energy technology. give everyone as their birthright their non-transferable share of the things the globalist cabal has stolen from everyone. the privately owned banking system should belong to everyone equally. everyone should receive their share of the interest earned. everyone should get their share of the royalties the common property resources produce. everyone should receive their share of the rents the common property produces. and everyone should get their share of the dividends from the profits produced by the common investments. stop letting the globalist cabal rob all this from everyone. have the shareholders, everyone, vote for the best manager for each item. the common property belonging to everyone produces enough gains to support everyone. stop letting the satanic globalist cabal rob all of it from everyone. demand decentralized peopleism replace the centralized globalist systems.

please grow a brain and think. reject the centralized rule by the globalist cabal that pulls the puppet strings on their puppet politicians. let everyone enjoy peace and prosperity, for a change.

Satan disguises submission to himself under the ruse of personal autonomy. He never asks us to become his servants. Never once did the serpent say to Eve, "I want to be your master." The shift in commitment is never from Christ to evil; it is always from Christ to self. And instead of his will, self-interest now rules and what I want reigns. And that is the essence of sin.

"What's Behind the 'Antisemitism' Epithet"

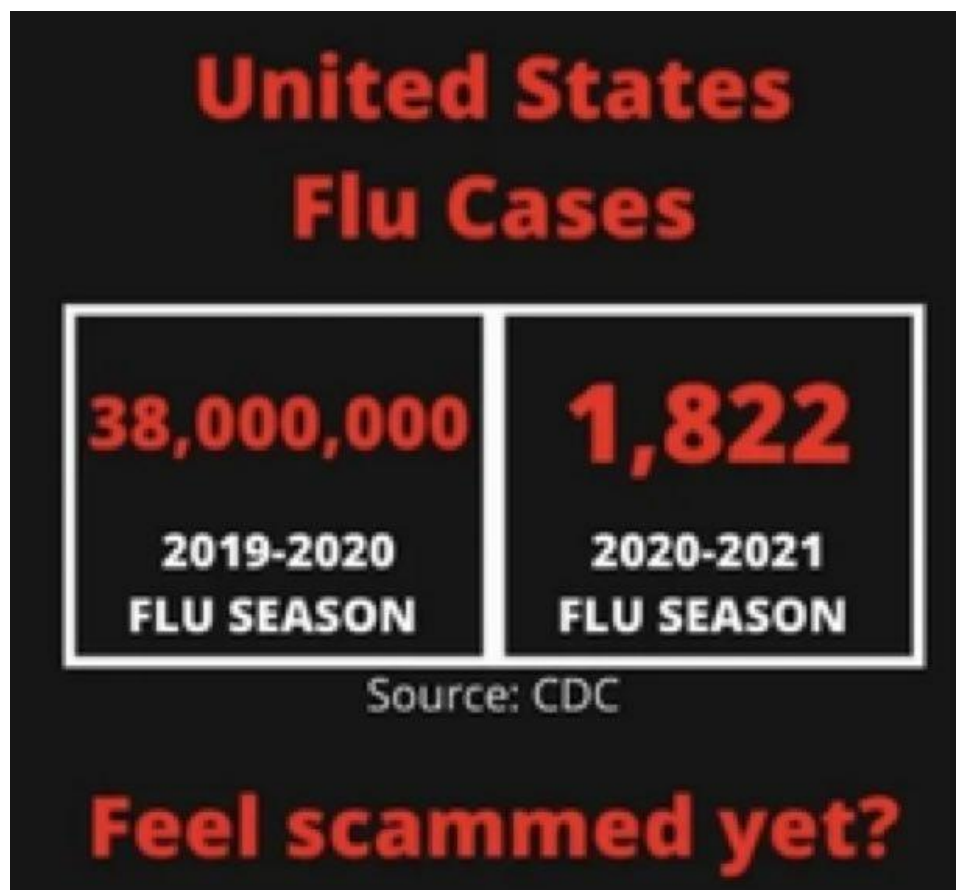

(newest first) latest update 12/06/22

... is a representative cross-section of mostly uncensored "Antisemitic" Alternative Media submissions regarding Jews, Jewish influence, Zionism, Judea, or Greater & Lesser Israel. Up until recently, there was a Facebook group by the same title that has repeatedly been censored, erased, and blocked by Facebook. Apparently even an open summation of "Antisemitism" examples as found even on FB and other FAKE Social Media platforms too are substantially censored and otherwise impermissible across the length and width of the greater FAKE Media News, Big Tech and 'Disinfotainment'

establishment. Therefore this section was created because there clearly has been a major uptick in "Antisemitism" examples in the last year and more that we should all be aware of.

J. P. Morgan who was for the passing of the act, owned a large cruise ship, called the Titanic.

Multiple people who would have voted against the act were invited on a free cruise...

Needless to say the very next year after the Titanic sunk the act passed into legislation with very little opposition.

Despite the tendency of doctors to call modern medicine an 'inexact science', it is more accurate to say there is practically no science in modern medicine at all. Almost everything doctors do is based on a conjecture, a guess, a clinical impression, a whim, a hope, a wish, an opinion or a belief. In short, everything they do is based on anything but solid scientific evidence. Thus, medicine is not a science at all, but a belief system. Beliefs are held by every religion, including the Religion of Modern Medicine

BREAKING NEWS!!! REPOST LIKE CRAZY.

From the Cyber Symposium analysis of two Dominion servers from Mesa County, they just discovered a batch file on both servers - dated 10/19/2020 (right before the election) - that REMOVES SECURITY RESTRICTIONS FROM SQL SERVER - enabling ANYONE to manipulate the vote totals!!!!!!!!!!!!!!

When this was found, the cyber expert onstage said, "If I were Dominion, I'd be pissing in my pants right now. This is exactly why they didn't want us to see this."

PLEASE REPOST. THE MAINSTREAM MEDIA WILL FIGHT LIKE HELL TO KEEP THIS INFORMATION FROM GETTING OUT. IT MUST BE A GRASSROOTS EFFORT!
