

Hassan Dahbi Skali (Regular Member and OIQ-registered Engineer)

I am putting my name forward for election to the NR Group Executive to be your representative.

I have been a project engineer at National Defence in Saint-Jean-sur-Richelieu for six years. I was President of the Laval NR Sub-Group.

I am currently a steward and will continue to represent you and protect your rights in this capacity.

As a member of the NR Group Executive, I am committed to representing you, negotiating better working conditions and promoting professional integrity.

With the workplace environment set to change post-pandemic, we want the best working conditions adapted to our needs, and I am here to listen to yours.

Please feel free to reach out,
