¹ This policy now applies to Amplify Education Trust following the merger of Cathedral Schools Trust (CST) and Trust in Learning Academies (TiLA).

We are currently reviewing and aligning our school policies, taking a “best of both” approach that draws on the strongest and most effective practice from each Trust.

During this transition period, some existing policies may still refer to the previous Trust names. These references should now be understood as relating to Amplify Education Trust. All policies and procedures will continue to operate as normal until the updated versions have been reviewed and published.
