

Get Connected!

Fairbanks Native Association's JOM Program is ready to connect our Alaska Native/American Indian district families to high speed internet and hands-on support with
TechConnect!

With TechConnect families receive...

- Connection to high speed internet at home
- Hands-on workshops with a tech coach to learn how to use tech devices efficiently and support academic progress

If you have a student or family who could benefit from home internet service, please contact Rebekah Jackson at:
rljackson@fairbanksnative.org or call (907) 347-6101.
