DONNA M. OLSON
Interim Principal

Dear Deerfield and Hanlon School (Pine Hill School) Communities,

I hope this letter finds you all well and in high spirits. It is with great pleasure that I write to you today to express my excitement for being given the opportunity to join the school communities of Deerfield and Hanlon (Pine Hill School) as the new Assistant Principal.

I am honored to be joining such well-respected schools, known for their commitment to academic excellence, nurturing environments, and the overall development of their students.

Having visited both Deerfield and Hanlon Schools, I was immediately struck by the warm and welcoming atmosphere that permeates throughout both buildings. The dedication and passion of the staff, the involvement and support of the parents, and the enthusiasm of the students are all testaments to the exceptional educational environment that has been fostered here in Westwood. I am happy to be a part of this dynamic community and to contribute to its ongoing success.

I bring with me many years of experience in the field of education both in Rhode Island and Massachusetts, with a strong focus on student well-being, academic achievement, and holistic growth. Throughout my career, I have had the privilege of working in diverse educational settings, collaborating with dedicated professionals, and building meaningful relationships with students and families.

As the Assistant Principal, my primary goal is to work in close partnership with the dedicated principal, faculty and staff, the involved parents, and the talented students to uphold high standards of education. I am committed to fostering an inclusive and supportive learning environment that promotes intellectual curiosity, critical thinking, and personal growth. Together, we will continue to nurture the unique strengths and talents of every student, ensuring that they are well-prepared to embrace both challenges and opportunities that arise.

I am eager to embark on this journey with you, and I look forward to meeting you in the coming months. I value open communication and collaboration, and I want to hear your insights, ideas, and aspirations for our school communities.

I am delighted to be joining the Deerfield and Hanlon School (Pine Hill) communities. I am confident that, together with Mr. Baumer, we will continue to build upon the strong foundation of excellence that already exists.

With warm regards,

A handwritten signature in cursive script that reads "Donna M. Olson".
