

Privacy Policy

Last Updated: June 5, 2025

Thank you for using *CardStack – Avatar Collection Album* ("the App"). We are committed to protecting your privacy and ensuring compliance with applicable laws and App Store guidelines.

1. Information We Collect

We only collect the following data **when you voluntarily upload content**:

- **Avatar images and tag information:** This includes the images you upload and associated album titles, categories, and tags.
 - **Device permissions:**
 - **Photo Library Access:** To allow image uploads and saving images locally.
 - **iOS Share Sheet:** Enables you to share images via system-provided sharing functionality.
 - **No account system:** We do not collect any personal identifiable information such as your name, phone number, or email address.
-

2. How We Use Your Information

We use the above information **only** to:

- Support features such as image organization, categorization, and saving;
 - Enable optional image sharing via iOS system sharing tools;
 - Improve user experience through local-only interaction tracking (e.g., crash logs, usage data);
 - We do **not** use your information for personalized ads or third-party marketing.
-

3. Data Storage and Protection

- All user data is stored **locally on your device**;
 - Optionally, data may be backed up through **Apple iCloud**, if enabled on your device;
 - We do **not** transmit your avatar content to external servers;
 - There is **no public feed, commenting, or social sharing** inside the App;
 - Deleting the app will also delete all stored data from your device.
-

4. Your Rights

You have the right to:

- Edit or delete your uploaded avatars and albums at any time;
 - Uninstall the app to remove all stored data;
 - Contact us at any time regarding privacy-related concerns.
-

5. Changes to this Policy

We may update this policy from time to time. In case of major changes, we will notify you through an in-app prompt. Continued use of the App after policy updates implies your acceptance.
