

# HOW TO RECORD YOUR CATCHES ON TRAP NZ

---

## 1. Create a new account:

Go to <https://www.trap.nz/> and click on “Log-in” on the top right, fill-out the form, then click on create a new account. You will receive an email, click on the link to verify your account.

## 2. Click on Find Projects on the Top right :

Click on “Find Projects” on the Top right: Type “Karekare Landcare” in the “Find project by Name” box and apply then click on Karekare Landcare.

Scroll below the map and click on “Request to Join”.

## 3. Download Trap NZ app on your phone or tablet:

With Apple / i-phones: <https://apps.apple.com/nz/app/trap-nz/id1464115706>

On Android with Google Play: <https://play.google.com/store/apps/details?id=com.trapnz2019>

## 4. Log in to your account from your device

## 5. Add your trap

Go to the location where you want to install your trap, then:

Click on “+ Install” (bottom right)

Move the target to the blue dot

Click on the green tick

Click on Trap and fill-in the New Trap information

Code is the name of the Trap “D-Rat (number)”, Type is D-Rat, then press and hold SAVE until it’s green

## 6. Record a Catch

Click on your Trap 

Select the species (more often Rat or Mouse)

Click Re-lure (and re-lure your trap )

You can also select the lure used, add any information you like about your catch (rat with the longest tail, big teeth or biggest rat I ever saw + measurements)

And also add a photo!
