

TREASURE HUNT!!!

LISTEN TO: [Pete the Cat and the Treasure Map by James Dean - Read Aloud](#)

or

 [I SPY Treasure Hunt A Book Of Riddles](#)

- Create a treasure map.
 - When your map is complete make a red X on the map where you would like to hide your treasure.
 - Use the map you made to hide the treasure in your house. Wherever you marked a red X is where you will hide your treasure.
- Find three to five objects to use as treasure. Hide them anywhere where you have permission in the house.
- Have someone you live with use the treasure map YOU make to find the treasure!
- Expand your treasure hunt mapping to include your backyard (if you have permission)!

- Document the process: take a photograph of your map, and of your seeker using the map to find your treasure!
