77. Death to Blefuscu.
78. He waits for the sailors to jump overboard before taking the ships.
79. Let's sing the Gulliver song!
80. What did he do to the ships?

81. He is now Nardac.
82. Kill them all. I am the emperor!
83. The war ended without casualties, what is the sport in that?
84. How can you plot against Gulliver?
85. He has been drinking, and now he is singing...
86. He has quite a bit to drink.
87. I'll put out the fire with my spit.
88. Run away.
89. I am strong enough.
90. Pride and vanity ruins everything for lovers.
91. Row row your boat.
92. He should have provisioned it better.
93. Out of water and mead. Good thing he's on land now.
94. Now, in the land of the giants.
95. She has got you now.
96. Lucky for him they already had Elizabeth.
97. Shrunken people are dangerous.
98. Look at these animals.
99. Harryhausen croc.
100. I'm everyone's king. Well I didn't vote for you!
101. You can live here and guard Gulliver and Elizabeth.
102. They get to live in a doll castle.
103. You were right, being important is meaningless...
104. This place is a paradise. Where have I heard that before?
105. We're not married, so none of your shenanigans.
106. Fetch the King, we want to get married.
107. Grown-ups are silly, and little grown-ups are the silliest of all.
108. Here is the wedding license.
109. Marry them at once.
110. You may kiss the bride, oops too late.
111. Don't look under that paper little girl.
112. Now it is morning, but they are naked and asleep.
113. They've escaped!
114. How far could they have gotten?
115. She came right to them.
116. We don't have to do anything.
117. I guess I don't have anything to worry about...
118. (Famous last words).
119. Harryhausen squirrel.
120. Where is Gulliver?
121. The hole is too small for my hand.
122. Luckily, I have braids.
123. When you're older, you will understand why we left.
124. We went on a honeymoon.

125. You play chess?
126. Gulliver is a bit thick...
127. I was a doctor...
128. Gulliver is a witch. Burn him!
129. Happy couples? He is a witch if he is happy all the time.
130. Change them, and ruin everything.
131. She just eats too much.
132. Have some Ladinum... It is fine.
133. The pain is gone.
134. I wish to consult with my doctor.
135. It isn't fair to burn a witch without proving he is a witch
136. He turned me into a newt!
137. Little girls cannot watch witches burn since it happens at midnight.
138. I will shoo the cat, so we can consult with the thick doctor Gulliver.
139. Cat fight between the girls.
140. Gulliver is super thick!
141. The girls are fighting!
142. I can handle him.
143. Watch him turn blue...
144. Look. I'm not blue.
145. I turned it to acid, it is fine.
146. He should have turned his hair blue to prove he's a witch.
147. Where does the power come from?
148. Evil spirits.
149. No such thing as chemistry!
150. If I deny it, then ...
151. I will confess, because I am stupid.
152. Confess that you're a witch, and then we will burn him.
153. What you don't understand, you must destroy.
154. Fight the croc!
155. Take this distraction!
156. Way to use that shield as a weapon.
157. Tiny Gulliver and croc was good effect.
158. See, he's a witch! He defeated the croc.
159. The girl has them. After her!
160. She runs faster than everyone!
161. Into the forest!
162. The mob and torches!
163. Out they roll.
164. Save yourself.
165. Those torches will help find them, or burn the ground.
166. She is a better searcher than the entire kingdom.
167. We'll burn the entire kingdom down before letting them escape.
168. Those were real weasels.

169. We were both selfish...
170. Into the basket into the stream.
171. That toss would have been a shocker.
172. They couldn't even keep up with a basket in a stream.
173. They washed ashore.
174. The basket is small. How did they fit?
175. Was it a dream?
176. Lilliputians? Who are they?
177. We will live with fear by using love.
178. And Glumdeglich became the most common name in England.
179. The only English accent in the entire film.
180. The end!
