Agenda- Up one teacher for 2025/26

SAC Funds- update on money spent

Corinne Pinhorn bought items for cooking, supplies for sewing, rodent killer, bins and containers. Students made sock monkeys, dog bandanas and they planted herbs.

Check to see if funds can be carried over for next year or does it have to be spent.

Robert white: Middle school woodworking

\$2500 was given. Mr. White purchased hardwood to use for cutting boards, charcuterie boards and bird houses. With the extra wood, they plan on making more cutting boards in charcuterie boards to sell to make it sustainable.

Vanessa: NS power made a donation.

- Expanded take home meals on weekends. They bought fresh food, milk, (Healthier food options) Working with grade 12 taking Food Services.

Clothing Closet- Clothes, toiletries, shoes, jackets

There was discussion on how we can be sustainable.

PC POWERFUL KIDS - check into it

\$350 donation from Community Health Board (Gianna) - Items were purchased for the comfort closet.

Vanessa Canova: Student Council

We are trying to make it a fun year for everyone. We have activities planned for Mental Health week, Tape a Teacher, Pie a Teacher, Spring Fling, Interact Bowling, Unified Basketball, Music Monday, Track and Field, field trips, Red Dress Day, School Reading Challenge, School Band Easter Bash, Cartoonish Group and Environmental Presentations by Shirley Boutilier.

We have a middle school student council now.

—Inclusion of all students, (school) community focus

Other items that were discussed:

Check the drop off area in the front parking lot and see if there are other options for drop off because it is quite busy in the parking lot and is a safety issue.
