Press Statement: Vehicular Accident, Dahl Family

It is very difficult for all of us to face the death of a young person, especially when it's someone we have cherished memories with. As a way of honoring Will Dahl and the activities he loved, our High School Student Council has organized tomorrow, Thursday, January 11 as a day to wear camouflage or blaze orange. If you do not have blaze orange or camouflage please know that you can participate by wearing Wildcat gear. This dress up day is open to everyone. Please keep sending positive thoughts, love and support for the Dahl family.

Asking for help can sometimes be challenging, but it should be viewed as courageous. Any students or staff members who need additional support may continue to contact our school offices. We have social workers and counselors available to help.

We would like to extend our sincerest appreciation to local area schools and organizations for your outreach of support and kindness as well as to the Southwest West Central Crisis Team for providing additional support to our students and staff.
