Workshop : Tourism as Placemaking

- 10 years of experience in the tourism industry
- Tourism has changed significantly
- When people think of ideas about placemaking - tour design is very inexpensive and very creative way to engage with others through places.
- J.B. Jackson - cultural geographer
- Educational ideas, intellectual connections about place

Questions & Discussion

- How do you design neighborhood tours? Do you partner with neighborhood organizations?
 - Everyone feels ownership over a neighborhood
- How do you think about tapping into community knowledge and leverage that expertise with your expertise?
 - Alternative Schools Network partnership (schools funded by religion mission for students who struggled in CPS schools) to teach youth how to put together a tour.
 - Jahmal Cole - [My Block. My Hood. My City](#) trains and pays youth to learn about public speaking, engagement.
