***Opening Prayer**:*
Higher Power, I understand that you make your voice heard in a group conscience. I ask you to remind me that the life of my program, and therefore my own recovery, depends upon my willingness to put the group's welfare above my own will. Where I disagree with the common views of my fellows in service, allow me to state my case honestly and respectfully. Allow me to listen to and consider the views of others. May I state my view and support all group decisions, including the ones I might disagree with. May my will be aligned with yours.

Attendees

We will now go around the room and introduce ourselves by first name only, and optionally, where we are calling from. We also welcome anyone who has never attended an International Service Meeting before, and if you'd like, you may indicate whether this is one of your first ISMs when introducing yourself.

Chair	Jason
Secretary	Morgan
Participants at the start of the meeting	Tesla, David, Lucy, Shannon

Our international service meeting is a forum for discussing important issues that are relevant to ITAA as a whole, and for collectively developing solutions that can strengthen the growth of our fellowship. If you are new to ITAA, we welcome you to this ISM. While we encourage newcomers to participate in discussion, we ask that members refrain from voting until you have been attending ITAA meetings for at least one month. We follow the Twelve Traditions, and we use Robert's Rules of Order to help guide our group conscience.

Literature Committee Report

The literature committee has continued work on the ITAA Promises and has been gathering information for the ITAA Concepts of Service. As part of the effort to collect recovery stories for the Basic Text, co-working space is being provided for individuals to write and submit their personal stories. Current planned sessions will continue through February. Furthermore, the Basic Text Review Readers will be invited to the March Literature Committee meeting in order to vote for replacements to vacated / nonresponsive chairs on the Basic Text Editing Team. Anyone who wishes to provide feedback may join us at the next literature committee or email us at literature.itaa@gmail.com.

Would anybody be willing to volunteer to be our timekeeper today? We'll have two minute shares with a 30-second warning.

Postponed for March 3, 2024 ISM

From the ISM on January 20, 2024: **Passed Counter-Motion: ISM requests the author or a knowledgeable surrogate presents a proposal at a future ISM with information about the pro bono organization that could perform a security audit of ITAA's digital presence including their credentials and what they would do as part of such an audit.** (Please see minutes from the January 20, 2024 ISM for the original motion that was countered with this one.)

Contact has been made by Mary Kate with the author of the original motion and they will be able to attend and answer questions at the ISM on March 4, 2024 at 1:30pm ET
