### Room 1 Writing: Saving Energy at Home

**Task 1: Look at the pictures. List three ways to save energy in three different rooms at home.**

- We should turn off the faucet and shower to save energy.
- We should turn off the TVs, fans and lights before leaving the room.
- We should use a shower instead of a bath.

**Task 2: Complete the prompts**

Part	Questions	Student	Prompts
Introduction	Why is saving energy important?	Whole team	We use a lot of energy at home and it costs us a lot. Here are 3 ways to save energy effectively.

Activity 1	What is the first way to save energy?	A	Firstly, we should turn off the faucet and shower to save energy.
Activity 2	What is the second way to save energy?	B	Secondly, we should turn off the TVs, fans and lights before leaving the room.
Activity 3	What is the third way to save energy?	C	Finally, it is important to use a shower instead of a bath.
Conclusion	What can happen if people follow these ways?	D	If people follow these ways of saving energy, they can not only save money but also help protect the environment.

**Task 3: Write the first draft**

<p>Rewrite the words using these word and phrases:  <i>and/so/but/because/firstly/secondly/Finally, it is important to</i></p>
<p>We use a lot of energy at home and it costs us a lot. Here are 3 ways to save energy effectively.</p>
<p>Firstly, we should turn off the faucet and shower to save energy.</p>
<p>Secondly, we should turn off the TVs, fans and lights before leaving the room.</p>
<p>Finally, it is important to use a shower instead of a bath.</p>

If people follow these ways of saving energy, they can not only save money but also help protect the environment.

Checklist (✓)	Yes	No
Each member writes one idea and one sentence.	<input type="checkbox"/>	<input type="checkbox"/>
We write more than 70 words.	<input type="checkbox"/>	<input type="checkbox"/>
We use vocabulary about saving energy.	<input type="checkbox"/>	<input type="checkbox"/>
We use connectors.	<input type="checkbox"/>	<input type="checkbox"/>
We use verb forms correctly.	<input type="checkbox"/>	<input type="checkbox"/>

**Task 4: Comment on your friends' works.**

**Task 5: Write your own paper**
