

## **Augusta USD 402 Early Childhood Program Family Agreement**

### **Basic Rates & Payment Policies:**

When you sign an enrollment agreement for your child, you are committing to paying tuition for 9 months. The tuition for full day slots is \$450.00 per month. Payments are collected for the months August through April. There are no payments collected for May to make up the difference for any holiday breaks taken throughout the school year. Students who enroll after January 1, 2027 will be charged a \$350 fee in May since they did not pay in August. Payment is due on the 1st day of each month for the upcoming month. Payments can also be made in full, by semester, or quarterly. In order to maintain services over the entire year, it is essential that the annual income from fees be assured. For this reason it is understood that late payments from families of 2 weeks or more, who have failed to consult with the Preschool Coordinator, Kristie Thackery, will result in risk of losing the slot and openings will be filled with a child on the waiting list. It should also be understood that no reduction or remission of fees can be allowed for absence due to holidays, vacations, snow days, illness, or just not being able to get your child to school. The Augusta USD 402 full day preschool program does not send out monthly statements except for in the event of a late payment. A late payment fee of \$50 will be charged for any payment received after the 5th of the month.

The provider may terminate the contract without giving any notice if the parent does not make payment by the 15th of the month that payment was due on the 1st.
