

Rock Camp 2023

Girls Rock! Adelaide | *Role Description*

Tech Assistant

April 17–22nd 2023

The Tech Assistant directly supports the Tech Manager, who is responsible for all aspects of lighting, sound and AV at camp.

Duties

- Assist with daily technical requirements for the program including microphones and PA for morning assembly and presentations, lunchtime concerts, afternoon workshops and the showcase
- Support any Interns or Volunteers assisting the Tech team
- Assist campers at Dress Rehearsal and the Showcase to learn about things like foldback, levels, amps, DIs and associated tech
- Provide support in building campers' confidence, encourage working as a team, assist in building conflict resolution and communication skills
- Demonstrate and model positive behaviour and language towards other campers and Girls Rock! staff
- Be encouraging and positive and provide feedback that builds self-esteem
- Identify, celebrate and build on achievements for campers, staff, volunteers and Tech team members

Essential skills and attributes

- Kind, positive, cheerful, patient
- Aligned with Girls Rock! values and aims
- Able to work independently and with a team while providing regular feedback to Girls Rock! committee
- Able to provide constructive and supportive feedback to your team and others

Experience

- Experience working with sound, lighting and audio-visual technologies including cabling, set-up, mixing desks, projectors, screens
- Ideally experience working with young people, youth or children

Requirements

- Must have a Working With Children Check that is valid for the entirety of the program
- Must adhere to the Girls Rock! Adelaide [Code of Conduct](#)
- Must be available for the full duration of the program from induction to showcase, with additional time for pack down and bump out on the Friday evening at the close of the program and Saturday after the showcase
