(check my link in bio).

Thank you for your understanding!

How does it work ?

1. First contact me by [email](#) or DM (I prefer DMs since I don't log often to Instagram or other socials). **Be as detailed and clear as possible when describing what you want** (size, type of illustration, characters, how they look, what pose, etc...). I will get back to you with a time and price estimation.
2. For **every new client, payment must be paid in once and fully**. If you have already commissioned me in the past, you can ask for a payment in two installments. → 50% after the rough sketch and 50% before sending the final product. **If the full payment is not sent, I won't finish the illustration and send it.** (*Does not apply to "Portrait in Pencil" commissions from Ko-fi*).
3. I will do 2-3 sketches based on what you ask. You will have to choose one and I will work on it to do the final piece. If any of them does not appeal to you, I can do more

but additional fees will occur. I will send you updates of the work and you can ask for small changes. Bigger changes may ask for additional fees.

4. I finish the piece and send you the latest updates. You can still ask for small changes (very small). When the work is done, I send you the original to your mailbox (does not apply for Ko-fi sketches). **After that, I will not make any more changes to it.**

It's simple to commission me, you can either [send me an email](#) or a DM on [my socials](#). Keep in mind that **the more precise and clear you are, the better I can create something that will look more exactly like you want !**

Sometimes, I can only send one sketch instead of 2-3. That means you have been really clear in your mail, but if for some reason you would like more sketches, additional fees may occur (if it reaches more than 3 sketches).

Once you choose a sketch for me to work on, the choice is marked on a sacred stone. If you want to change your choice, additional fees will occur as a punishment (It's a (not funny) joke, sorry, but **I insist on why you should be the most precise and clear**). Please, keep also in mind that I do traditional art, any changes can be sometimes difficult to do.

For any commercial work, please contact me by email first (only email). For personal and private uses, all the based prices given here apply.

I am not a robot nor an IA, please be patient when I am working on your request. It may take up to 2~3 weeks to finish a commission (I am employed).

And one more thing, I'm not a native english speaker but I will do my best!

It's common sense but politeness is really appreciated.

About commissions:

- All prices are €.
- For personal and private uses only.
- I send you finished original artwork by mailbox, but I am still the author of it.
- I don't draw porn (nudity is okay), and if I don't feel confident to do an order, I can decline it.
- Full payment in once for all new clients, returning clients can choose to pay in two installments.
- No refund, except if I can't finish your request.
- I will draw by default in A4 format, so **if you want a special size, make sure to tell me in your email!** The same goes for media to use: pencil, ink, watercolors, etc...

→ I use watercolors, pencils, ink pens, gouache (have a few), oil pastels, and alcohol markers.

B- Terms of uses

Disclaimer : *I'm French and English is not my native language. I am sorry if there are mistakes but if you have any questions or don't understand a thing, send me an email to kokoreth.art@gmail.com or DM me on Instagram (@kokoreth) or Bluesky (<https://bsky.app/profile/kokoreth.bsky.social>) and I will be happy to help !*

Terms of uses for personal and private uses only.

1. General:

Prices given in my commissions sheets are based prices (*except for Pencil Portrait*). Final price will depend on complexity or amount of details of the final product. (*Does not apply to "Portrait in pencil" commissions from Ko-fi. Price will always be 45€ BUT additional fees can occur if you ask for major fixes!*).

I will not draw pornography or explicit sexual stuff. Nudity is okay. For others such as gore, violence or monsters it can be discussed.

I will / can draw: your pet, friends, family members, your lover's portrait, your OCs.
(I'm okay with drawing your character's portrait from Role Playing Games or MMOs (as long as you have created the avatar yourself, with in-game character creator/in your head).)

I will not / can't draw: fanart of popular anime/manga/comics in the style of the original author or in my style. I prefer to do fan arts as a hobby and not as a commercial means. Thank you for your understanding.

I can refuse an order if it does not fit my style or for scheduled constraints.

2. Changes:

It generally takes up to two ~ three weeks to finish an order. I will send you WIP of each stage of the product so that you can see how it goes and ask for changes.

Each important change will come with additional fees.

Once the order is finished and sent I won't make any more changes to it. (Ex: You can't come back to me 2 months later to ask for a change on a previous commission I have done for you.)

3. Right and uses:

I reserve the right to the commissioned artworks.

You may use this commissioned artworks for personal or private uses. (You can't sell them nor use them to promote any business). NFTs of my works are not allowed (commissioned artworks or not). I am not into AI stuff, I don't allow anyone to use my work to feed AIs, thank you for respecting that.

If you publish my work on social media or any website / media you have to credit me as the artist (with my tag name @kokoreth_art or a link to my website : kokoreth-art.com). You can't claim the art as yours.

4. Uses of you personal information:

Your personal data (email address, mailbox address, name etc...) will be used only during the process of the commission. I will not use them for something else without having your explicit consent first.

5. Payments and refunds:

Refunds will not be accepted. The only case I will refund is when I can not finish your order.

Payment in 2 installments is possible (if you have already been a client of mine, otherwise for a new client you must pay full price in one installment.).

→ For 2 installments : 50% after the rough sketch and 50% before sending the final product.

If the full payment is not sent, I won't finish the illustration and send it. (*Does not apply to "Portrait in Pencil" commissions from Ko-fi*).

I won't finish the illustration and send it if the full payment is not sent. (*Does not apply to "Portrait in Pencil" commissions from Ko-fi*).

I will tell you when to send the payment. If I have not told you to send me the payment nor agreed to do your order, do not send me the payment.

By commissioning me, you agree to my terms of uses.

Thank you for reading everything, you made it! Congratulations! _(^0^)_/
