“Hey Riley, what are you doing?” Noah asked.

“Oh, just thinking about my summer vacation.” Riley replied. “I said to my mom, I wish we could go back to the beach.”

“Yeah, the beach is awesome,” Noah exclaimed!

Riley answered, "Sure, if you behave."

“Probably,” Noah answered. “But I'm really good at behaving, especially when it comes to the beach.”

“I love building sandcastles and swimming in the waves,” Riley said looking out the window.

“Me too,” Noah said. “And I love collecting seashells”

Riley smiled. “That's great. I found a really pretty seashell too.”
