

Wessex Internet - Gigabit Installation, Pitton. 2025.

Please be advised that the next Parish Council meeting is to be held at Pitton Village Hall on Wednesday 23rd April to accommodate a presentation by Mr. Paul Cleary, Regional Community Manager of Wessex Internet, the contractor employed by Government UK to install the new Gigabit Broadband infrastructure to Pitton by the end of June, this year.

Interested parties are invited to attend the presentation, which starts at 7pm, promptly, ahead of the Parish Council meeting which will continue from 7:30pm as usual.

The Parish Council looks forward to welcoming you.

Wessex Internet - Gigabit Installation, Farley. 2026.

Unfortunately, Farley's installation, together with East Grimstead, is not due for delivery until Spring 2026. This is because these areas are 'fed' from a cabinet in a different location.

For further details, please contact the Clerk, as below.

Leigh Samuel (Mrs.)

Clerk for Pitton and Farley Parish Council
