

Want to gather support for your personal finance course? Customize this survey to gain anonymous insights from **students, recent grads, parents, teachers**, and **local business and community leaders**.

Use your results to...

- Build a pitch deck for your School Board or Admin.
- Shuffle and augment units and lesson plans to address students' surveyed needs.
- Organize parents and other community members to support your course.
- Promote community personal finance events.
- Drive local media stories about your school's commitment to financial education.
- And beyond.
