I'm finally at the point where I feel confident to reliably take a few commissions! Woo!

Before I get into the nitty gritty, if you're a writer looking to proofread your work, and I think your stuff is cool, I'll do it for free! I love hearing your ideas, so feel free to send me edit work (within reason). Also feel free to specify what in particular you'd like me to look at or comment on. No guarantees on the quality, but I've proofread many dozen fics before, if that counts for anything.

Will update this post whenever I can, so assume everything here is up to date:

Commission Status: CLOSED

Price: Usually \$12 - \$15 USD for the first 1000 words, half that for every additional 500. This depends on a few factors, including if the idea is SFW or NSFW and how comfortable I am with writing the idea. Very conditionally I'll offer a discount if I really like your idea, or if you're in the ponysuiting server. If you pay for a certain amount and I go over, any additional wordcount is free.

Word Count: Maximum of 6000 words. If you'd like anything longer, feel free to ask and I'll consider it case by case.

Payment: I prefer Cash App because of the anonymity, but please do ask if that's not an option. Even better if you find something equally anonymous!

Delivery Time: Depending on story length and queue length (and how busy my day job is), probably anywhere between 1 - 5 weeks from when the outline is finished and approved. I've not done this before, so this is a bit of an estimate. Apologies!

What To Specify: Please give me the following listed below in a note or DM if you have a commission request:

1. Feel free to tell me as much or as little as you'd like about the story you have in mind! This includes stuff like the plot, themes or tropes you'd like to see, character appearances/personality/info and their relationships with each other, and so on. I'd like to think I'm versatile and creative enough to make most things work.
2. Word count
3. SFW or NSFW
4. Optionally, if it needs specification, genre, story intensity and level of consent
5. Optionally, first/second/third person perspective and past/present/future tense
6. Optionally, additional things you'd like to exclude from the story

7. Optionally, if you'd like to be credited as Anonymous in the queue and upon publishing the story

Likes Writing:

- Ponies :3
- Suiting, masking, and disguises
- Hypnosis, mind control, and drones
- Possession, body control, puppets, and parasites
- Latex
- SFW fics of all genres with no kinks involved (hats off to you if you found me with this in mind lmao)

Will Not Write:

- Underage characters
- Vore, diapers, fat, inflation, etc.
- Scat, piss, fart, etc.
- Hypersexualized stuff (exaggerated anatomy, bimbofication, etc.), limitations on being asexual, lul

Additional Notes:

- Please ensure you're 18+, I won't accept your commission otherwise!
- I have the right to refuse any request if it's not something I'm comfortable writing.
- I'll request payment only after I send you a rough outline of what I have in mind and you approve it.
- The word count suggested range can be expanded, and payment delayed, if I'm confident you're a trustworthy individual.
- Once payment is made, refunds will be made at my discretion.
- If you prefer, let me know how often you'd like to receive updates, within reason.
- Please be open and honest with feedback so that I can create something better tailored to you!
- I'll publish all stories to my page, but feel free to repost as long as you credit me and link to the original story.

Thanks for your interest! I look forward to writing your ideas!
