Front End MicroSAAS AI \$47

<https://www.jvzoo.com/affiliate/affiliateinfonew/index/408207>

For the front end of MicroSAAS AI the customer will receive access to our four pre done MicroSAAS AI apps. These will be...

Our pre done affiliate system

Our pre done image system

Our pre done social system

Our pre done content system

The user will be able to deploy and sell access to these apps under their own domain under our MicroSAAS AI system and connect up JVZoo and Warrior plus directly.

They will also get personal rights to use the four systems as well. So even if they don't want to take advantage of the MicroSAAS AI system they can use the systems themselves. All training is included.

Plus they get all marketing materials for each app, including sales material for each app. Including sales pages, graphics and marketing materials.

The limit on each app is 250 users per app.

Plus they will also be able to build their own unique MicroSAAS AI app and deploy that. It will come with full management for members.
