Step 4 :

Select : Frame To Video And Upload Your Photo , Then Write A Prompt :

Generate an 8-second realistic vlog-style video using the uploaded image. The person should be seen casually walking forward (matching the background of the image) while speaking the following line : **[SCRIPT]** The tone should be friendly and slightly amazed, as if sharing a useful trick. Include natural hand gestures and slight upper-body movement to enhance realism, along with subtle head turns and eye contact with the camera. The walk should be slow and smooth, and the facial expressions should be expressive yet natural. Maintain the same lighting, background, and overall visual tone as seen in the original image to ensure it feels like a genuine outdoor vlog clip.

(You Can Generate More Prompts Using ChatGPT To Generate Videos In Other Style) 😊

✓ **Note :** **[SCRIPT]** Prompt Me SCRIPT Ki Jagha Aap Jo Bhi Bolvana Chahate Ho Vo Line Likh Dena.
