

Gabriel Plourde - Video Game Music Composer & Arranger

About me:

I'm Gabriel, I'm a guitarist/multi-instrumentalist, composer & arranger from New-Brunswick, Canada. I'm a big lover of all things video games and movies. I've been uploading video game music arrangements on YouTube since 2012 and I've been doing music full-time since 2015. Working on over 450 arrangements and compositions has helped me become the versatile musician that I am today and I'm always excited to work on new projects. If you're interested in hearing some of my work, there will be links down below.

Experience:

- Over 10 years of experience working with Logic Pro and VSTs.
- I play guitar, bass guitar, piano, ocarina, melodica, and a few more.
- Knowledgeable in genres such as rock, metal, orchestral, ambient, upbeat platformer style and more.

Contact me:

Email: gabocarina96@gmail.com

Prices:

- \$500 USD per Song Minute (original music)
- \$300 USD Flat-Rate for a 30 second intro song
- \$500 USD Flat-Rate fee for a cover or backing track of an existing song (anything exceeding 2 minutes will be an extra \$100 per additional minute)
Examples: 2m30s = \$550 | 3 minutes = \$600
- For a soundtrack or music for a bigger project, email me so that we can discuss.

Note: *Loops don't count in the price unless there were significant changes in the second loop.*

You will be asked to pay half upfront. I will then make a demo version of the song for you to approve. If you are satisfied, I will then proceed to fully complete it and send the final mix to you with a PayPal invoice to pay for the second half.

More info:

- I do not work on NSFW projects.
- I do not compose music for fan-made games of existing properties.

That's it!

I hope to hear from you soon!
