

Parent/Guardian Canvas Access

Steps for creating a Canvas account for parents/guardians to sign up to be an observer in their student's Canvas account. This will give them access to see assignments, due dates, announcements and other course content.

Steps

:

1. Visit <https://vansd.instructure.com/login/canvas>.
 2. In the upper right hand click on *Parent of a Canvas User? Click Here for an Account*
 3. Create your account credentials
 4. Enter in the *Student Pairing Code*
 - a. To obtain this the student will:
 - i. Go to their Canvas account
 - ii. Open *Settings*
 - iii. Click the *Account* link then the *Settings* link
 - iv. Click on *Pair with an Observer*
 - v. A pairing code will appear for the parent/guardian to put into their account
 5. Type in the student pairing code
 6. Agree to the terms of use
 7. Click *Start Participating*
- An parent/guardian can put in a pairing code for multiple students
