

### **Nevada State Licensure Testing Requirements for 7-12 Mathematics Provisional Licensure**

In addition to fulfilling the basic competency exam requirement (Praxis Core or CBEST), secondary math (7-12) content area teachers must either:

- Hold a major or minor in Mathematics OR
- Pass the Praxis II in Mathematics with a minimum score of 159 (see below for additional details)

**This requirement must be met by the end of Pre-Service Training in early July 2024. To ensure timely receipt of your official score report, it is recommended that you make your final Praxis II Mathematics testing attempt no later than June 7, 2024.**

This requirement exists to ensure that licenses are granted to individuals who have the depth of content area expertise required to teach more sophisticated concepts to students across the 7-12 grade level band. **If you hold a major or minor in Mathematics, only the basic competency testing section below applies to you. You do not need to register for the content exam.**

### **Secondary Mathematics (7-12) Test Registration Overview**

Below you will find an overview of testing required in order to obtain a provisional teaching license upon successful completion of Pre-Service Training in early July.

#### **BASIC COMPETENCY TESTING REQUIREMENT**

Choose one of the two testing options in the table below if you do not qualify for an exemption. Exemptions are granted to candidates who meet any of the criteria below:

- You took the ACT or SAT after July 4, 2014 and achieved the following minimum score:
  - ACT: 21
  - SAT: 1100
- You obtained an advanced degree (Master's or higher) from a regionally accredited college or university and achieved a score on the GRE that was at or above the midpoint of the score range in effect at the time of examination (score report required for evaluation). The GRE score report must be dated after July 4, 2014.
- You already passed a basic skills test that is determined by the Nevada Department of Education to be equivalent to the "Praxis Core Academic Skills for Educators" in reading, mathematics, and writing and can provide a score report dated after July 1, 2014 for evaluation.

**If you do not qualify for any of these exemptions, please register for just ONE of the following tests unless you have already have a passing score report dated July 4, 2014 or after:**

Test Name	Test Number & Cost	Passing Score
<b>Option 1:</b> <a href="#">Core Academic Skills for Educators</a>	Reading: 5713 Writing: 5723 Math: 5733  <i>If you prefer to take all three sections in one sitting, please register using code 5752.</i>  Individual sections cost \$90 each. The cost for the combined test is \$150.	Reading: 150 Writing: 156 Math: 144
<b>Option 2:</b> <a href="#">CBEST</a>	n/a - you have the option to register for a computer-based or paper-based test session  Individual sections cost \$30 each. The cost for the combined test is \$90.	The passing score on each CBEST section is a scaled score of 41. A total score (the sum of Reading, Mathematics, and Writing scaled scores) of 123 is required for passing status. It is possible to pass the CBEST with a scaled score on one or two sections as low as 37, provided that the total score is 123 or higher. It is not possible, however, to pass the CBEST if any section score is below 37, regardless of how high the total score may be.

### MATHEMATICS CONTENT AREA EXAM (PRAXIS II) REQUIREMENT

If you do not hold a major or minor in Mathematics, and have not already taken and passed the exam in the table below, please register and submit proof of registration.

Test Name	Test Number & Cost	Passing Score
<a href="#">Mathematics Praxis II</a>	5165 The cost for this exam is \$130.	159

Please note that the waiting period following an unsuccessful attempt on each of these exams is as follows:

- Praxis Exams: 28 days from the day that your score report is released
- CBEST: 45 calendar days from your last attempt

### **Submitting Proof of Test Registration and Score Reports**

All enrollees are required to submit either proof of testing exemption or proof of test registration AND score reports upon receipt. Please follow the instructions below to ensure that you submit your documentation to the correct places.

- **Praxis Core or CBEST Proof of Exemption or Proof of Registration:** We are collecting proof of exemption or proof of test registration for basic competency skills testing via the “Register for Basic Competency Testing or Provide Proof of Exemption” link in your enrollment e-mail. The subject line of this e-mail is “**Welcome to NTC!**” and it should look similar to the image below, with hyperlinks for each task.

Welcome to Nevada Teacher Corps! Now that you are enrolled, there are several important tasks that you must complete in order to remain on track to begin Pre-Service Training this summer.

To be completed within two weeks of enrollment:

[Enrollment Task: Contact Information](#)  
[Enrollment Task: SSN](#)  
[Register for Basic Competency Testing or Provide Proof of Test Exemption](#)  
[Sign Up for Google Classroom](#)

To be completed no later than June 1, 2024

[Enrollment Task: Official Transcripts](#)

Please note that you will receive additional tasks to complete throughout the enrollment season and prior to the start of Pre-Service Training. These tasks will be housed in Google Classroom as assignments, and you will receive further instructions via our NTC Enrollment Newsletter.

If you have any questions about any of the information provided in this email, please reach out to us at [support@nevadateacher corps.org](mailto:support@nevadateacher corps.org). We look forward to meeting you this spring!

- **Praxis II Content Exam Proof of Registration:** Submit your proof of Praxis II Secondary Math content area exam registration by uploading it to the corresponding assignment in Google Classroom (see below for a screenshot).
  - Note: If you have not yet joined the NTC Google Classroom, please review the [instructions for joining](#) and join today.

All Fellows: Upload Passing Praxis Core or CBEST Scores  
Arlene Angulo-Serrano · 12:52 PM

In order to qualify for provisional licensure at the end of Pre-Service Training, the Nevada Department of Education requires proof of passing scores on one of the state-approved basic competency exams (Praxis Core or CBEST) no later than July 1, 2024. You can access the basic competency testing overview here to ensure that you have registered for the correct test numbers. The overview also includes information about testing exemptions. *If we are able to confirm that you qualify for a testing exemption, you do not need to complete this assignment.*

Secondary Math Fellows: Submit Praxis II Passing Scores  
Arlene Angulo-Serrano · 12:38 PM

Upon receipt of passing Secondary Math Praxis II (test 5165) scores, please upload the score report to this assignment. **As a reminder the Nevada Department of Education requires a score of 156 or higher.** If you have not yet achieved a passing score, please register for an additional attempt as soon as you are eligible to do so.

Reach out to our team at [support@nevadateacher corps.org](mailto:support@nevadateacher corps.org) to learn more about test preparation resources.
