

Welcome to Mangawhai Beach School

This prospectus contains information about our school, its organisation and objectives.

The school community is made up of many groups who are enthusiastic about giving our children the best possible education. You are invited to become involved by helping at school, attending functions and events, supporting fundraising efforts, and by being seen by your children to support the school and education in general.

Under direction from the Ministry of Education the school has an enrolment scheme in place and further details of the scheme can be obtained from the school office.

The school has excellent facilities which include eighteen teaching rooms, a library / information centre, a swimming pool, large field and court areas (including astro turf area) and full-time access to a community gymnasium. Further property improvements are likely as the school continues to grow.

Mangawhai Beach School has a compulsory full-time uniform for the children. Please contact the office for details of how to order the uniform.

Community and parent support has ensured that a wide range of teaching aids are used. We are constantly upgrading our information and communication technology and have several levels of computer safety including a ICT Student Agreement form which all pupils must complete when enrolling at Mangawhai Beach School.

Our staff and Board of Trustees are committed to providing the best possible education for your child or children and look forward to working with you to achieve this goal.

Should you have any comments, ideas or concerns please do not hesitate to contact me at school.

Yours truly,

Aaron Kemp
