

PINK

tickled pink

MEANING: be very pleased, thrilled, delighted

EXAMPLE:

She was tickled pink that you made the effort to go and visit her when you were in town.

to look through rose-coloured/tinted spectacles

MEANING: to see things in a flattering or over-optimistic light.

EXAMPLE:

“It annoys me that she sees everything through rose-coloured spectacles, but she would feel differently if she had to live there.”
