Dear Alexandra and Suzzane,

My name is Jebbeh Edmunds. I'm the founder and CEO of Jebbeh Cultural Consulting Inc. I'm also a podcast host of the Cultural Curriculum Chat Podcast and a YouTube host of Mrs. Edmunds's Cultural Corner. With my many hats, I was a long-time classroom teacher in Duluth, Minnesota. I loved sharing multicultural books and stories with my students, which led to my business promoting multicultural books by diverse authors to a much wider audience than my classroom. I had the honor of reviewing your book **All Are Welcome** on my shows, but I would love to ask you for permission to read your book out loud on my show and model instructional practices for educators on how your book would look and feel in a lesson. I'm new to this, and with the advice of my attorney, he said that I need to directly ask you, the author, for your permission. If there is another way to ask either directly to you or the publisher, please let me know. I want to respect you and your work. You can see my resources and channels below. If you'd like to be a guest on my podcast and share about your process and your book, feel free to reach out to me, and we can put you on the calendar.
