Margaret Berry
Assistant Principal
for students Pc - Z

Dear Families,

We are very excited to introduce SBHS's college and career readiness platform, SchoolLinks! All of the SchoolLinks features are designed with students in mind to help them become career, college, and life ready. As a guardian, you will have the opportunity to join your student in their career and college exploration process and have conversations with them about their future. You will have access to SchoolLinks through your own account. SchoolLinks has replaced Naviance as our college and career planning platform.

SchoolLinks allows you to:

- View the results of your student's career interest, strength, and mindset assessments to learn more about their interests and what careers might be right for them
- See what colleges and careers your student has favorited and set as goals
- Check your personalized dashboard for upcoming events as well as important reminders and to-dos for your student
- Complete your own research on colleges, careers, and more to help you have informed conversations with your student
- Compare college costs and explore expected financial aid, scholarships, and out of pocket expenses

SchoolLinks is a tool that gives you access to the bigger picture of your students' future. Watch this [video](#) and read this [document](#) to learn more about how to create your account. Your child must access their account first and provide you with the "Claim Code" available in their account. If you have multiple children, it is the same code.

We look forward to getting started and helping you help your student!

Sincerely,

SBHS Guidance Department

Mission Statement: *The South Brunswick High School community values the pursuit of excellence, diversity through acceptance, and a safe and supportive learning environment. SBHS empowers students to develop character, skills, and perseverance as they explore their passions and prepare for the future.*
