A man approaches the Starbucks... Not really a mountain of a man, more like a decent-sized hill. But he's wearing jeans and a black tank top, a backpack slung over one shoulder.

[07:06 AM] Catalina "CataCat" Reyes

Eleonore greets all the others there and then approaches Jason "So, are are the one who called out for help?"

[07:20 AM] Ishira GlyphHunter

Seras approaches with caution remembering that one time she almost died wandering off alone.

[07:53 AM] Kosh TheRipper

Jason sighs in relief, "Yes! It's my wife.. she's off... and then there's the cops, they said that they found her body... but she's at home..."

Jason seems manic, rambling on about things, he continues to pace, obviously worried.
