Major Organizations Endorsing Feminist Candidates for 2026 Federal Midterm Elections:

[NOTE: Not all of the endorsement lists linked below are totally up to date. If you're not sure whether all endorsements for November are included, please contact the organization. A number of organizations listed do not endorse candidates because of their 501(c)(3) non-profit tax status, but they do support public policy consistent with the values of feminism, diversity, equity, inclusion, and democracy.]
